[Location](#) | Euston

[Client](#) | Aviva

[Status](#) | Completed 2016

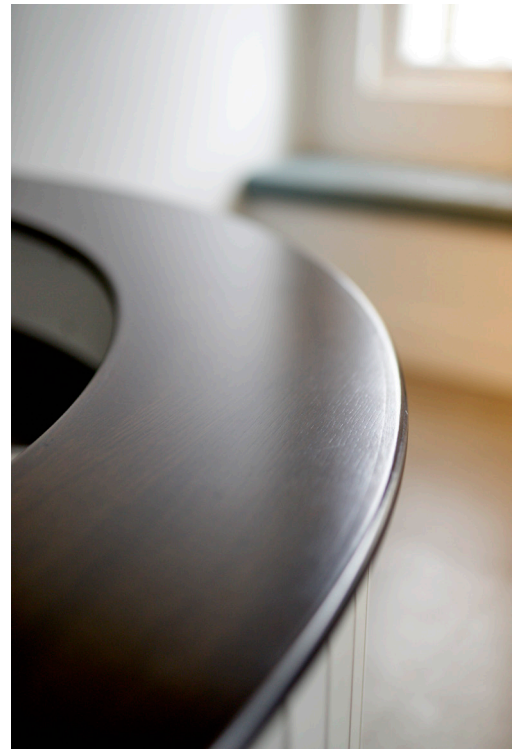

[Size](#) |

HBA have completed the first phase of the refurbishment of this listed building for Aviva in March 2016.

The project involves the refurbishment of 3no. vacant office floors and 3no. reception areas in the historic building.

A new aesthetic has been developed to compliment the existing elements of the building, including the existing steel structure, listed iron metalwork and timber t&g boarding

Exposed services and feature lighting add new interest to the spaces and the final phases are due for completion in June 2016.
