**Location** | Crown Estate, Oxshott

**Client** | Aspire

**Status** | Completed 2016

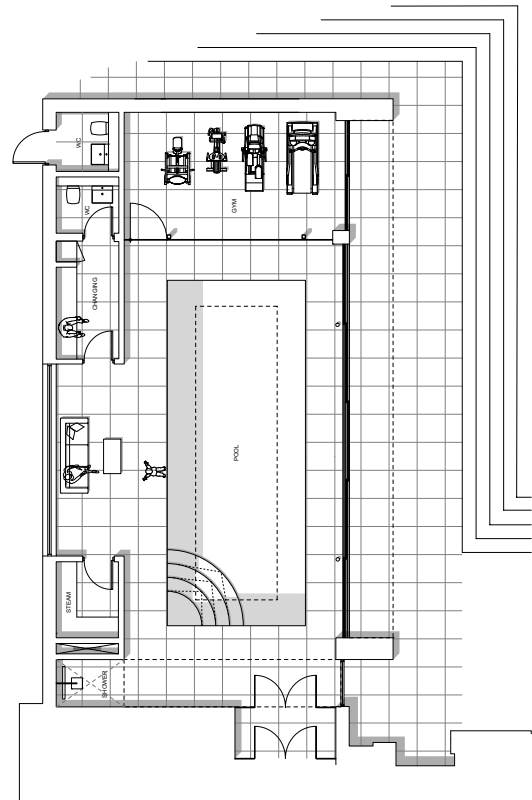

**Size** | 1,500sqft

**Contract** | -

A contemporary pool house clad in Bronze panels.

The original warm reddish-brown surface of Bronze develops through weathering. A brown-red surface oxidation with a brown-grey undertone is typical for this alloy; the material then gradually changes to dark brown anthracite throughout.

The façade details were developed in close co-ordination with the bronze suppliers, with attention to detail on panel joints, openings and corners'
