Architectural Assistant

Worked as architectural assistant on projects across commercial and residential sectors.

Pringle Brandon Architects, London, June 2004 to October 2004

Architectural Assistant

Worked as architectural assistant on projects across commercial, residential and academic sectors.

Sculptor: June 2000 onwards

After designing and constructing a studio, I have focused on the inter-relationship between form and material. This has led to my exploration of creation through organic shapes, in the mediums of wood, stone, metal and resin.

- **Lennox Gallery**, Fulham, London - joint exhibition ,with four other artists.
- **Infinity Exhibition**, Edinburgh University - As a result of this exhibition, I received a commission from the University Chaplaincy Centre, for a sculpture which is now the focal point of their resource centre.
- **Sussex Studio** - from the studio I have sold a number of pieces to private collectors

Furniture designer: 1998 onwards

- Designed and manufactured a prototype minimalist coffee table, with mass production in mind.
- Designed and manufactured an aluminium floor standing light for the interior of the
- Bluebird Club, Kings Road, London.
- Designed and built cupboards and other custom storage units.
- Produced various floor and table lights.
